PROFESSIONAL SUMMARY

Detail-oriented and results-driven Bookkeeper and Accountant with 5+ years of progressive experience in full-cycle bookkeeping, accounts payable/receivable management, and financial reporting for small-to-medium businesses. Certified QuickBooks Online ProAdvisor and Xero Advisor with 1.5+ years of proven remote bookkeeping experience serving clients across Australia, the UK, and the USA. Skilled in cloud accounting, bank reconciliation, month-end close processes, payroll support, and GST/BAS compliance. Committed to maintaining GAAP-aligned, audit-ready financial records and delivering accurate, timely reports to support informed business decision-making.

CORE COMPETENCIES

Bookkeeping & Accounting: Full-Cycle Bookkeeping | General Ledger (GL) Maintenance | Trial Balance Preparation | Accruals & Adjusting Entries

AP / AR Management: End-to-End Accounts Payable (A/P) | Accounts Receivable (A/R) Management | Invoice Processing | Supplier & Vendor Reconciliation

Reporting & Compliance: Financial Statements (Profit and Loss, Balance Sheet)

Cloud Accounting: QuickBooks Online | Xero | Hubdoc | MYOB | Dext | Multi-Currency Transactions | Bank Feeds Reconciliation

Other Skills: Microsoft Excel (Intermediate) | Data Entry Accuracy | Client Communication

PROFESSIONAL EXPERIENCE

Bookkeeper | Count on Us 100 – Australia (Remote)

May 2025 – Present

Managing end-to-end bookkeeping and financial recordkeeping for a diverse portfolio of Australian small businesses using Xero and QuickBooks Online cloud platforms.

- Performed daily bank reconciliation by clearing bank feeds and matching transactions, ensuring 100% accuracy in general ledger records
- Processed and reconciled Accounts Payable (A/P) including purchase bills, supplier statements, and purchase orders using Xero and QuickBooks Online
- Assisted with payroll processing
- Generated monthly financial reports including Profit & Loss (P&L), Balance Sheet and Aged Payables
- Managed digital document flow and cloud-based data management via Hubdoc, Outlook, and Gmail for audit-ready filing

Assistant Bookkeeper | Denacct – Bangladesh (Remote)

December 2024 – April 2025

Managed the full Accounts Receivable (A/R) cycle for a UK-based healthcare clinic, ensuring consistent cash flow and regulatory billing compliance.

- Generated, recorded, and tracked service invoices in alignment with healthcare billing standards and VAT compliance requirements
- Monitored incoming payments, updated accounts receivable ledgers, and maintained accurate client payment histories
- Conducted credit control by identifying aged/overdue invoices and executing timely follow-up procedures to reduce debtor days
- Managed professional client correspondence regarding billing disputes, payment queries, and account statements
- Reconciled AR subledger to general ledger on a weekly basis to ensure financial data integrity

Accountant | M/S Business Trade International – Chattogram, Bangladesh (On-site)

2019 – January 2024

Maintained comprehensive accounting records and financial controls for a local retail operation, managing all bookkeeping functions from data entry to financial reporting.

- Maintained the general ledger (GL) by manually recording all daily business transactions with precision and accuracy

- Managed Accounts Receivable (A/R) including customer credit tracking, invoicing, and daily cash sales reconciliation
- Oversaw Accounts Payable (A/P) by monitoring supplier invoices, purchase orders, and payment scheduling
- Performed daily cash management including cash flow balancing and petty cash control
- Maintained accurate expense records
